Written by Tonya Donnelly

Baby's playing dead in cellar

Gave her water, just got paler

Grass stains, back burns

She's a screamer

She's just dusted, leave her

If you see her, don't upset her

Never seems to get much better

Grass stains, back burns

She's a screamer

She's just dusted, leave her

Her hmmm hmmm goes to your heart

Her hmmm hmmm sticks in your head

Hmmm Hmmm Hmmm Hmmm Huh Huh

Baby's playing dead in cellar

Gave her water, just got paler

Grass stains, back burns

She's a screamer

She's just dusted, leave her
