Yeaaa

Uh uh, Uh uh, Uh uh, uhuh

Keisha where you at baby

Uh uh, Uh uh, Uh uh, uhuh

Lets go

I just wanna get to know you,
I just wanna get to know you,
I just wanna get, I just wanna get,
I just wanna get to know you,
I just wanna get to know you,
I just wanna get to know you,
I just wanna get, I just wanna get,
I just wanna get to know you,

Sort of physical, so critical
Muh, huh I'm watchin' every lil' move,
Hearin' every word, every syllable,
I'm so into you, I wanna know the end of you,
I asked what your interests are, who you be with
Things that make you smile, I been here for a while
Im so behind, I know you love my style,
Got you feelin' like you in love right now,
It's the girl in you, it's the man in me,
I am the triumph, you the senety,
We can go anywhere you wanna go
You can know anything that you wanna know
Know... (know)

I just wanna get to know you,
I just wanna get to know you,
I just wanna get, I just wanna get,
I just wanna get to know you,
I just wanna get to know you,
I just wanna get to know you,
I just wanna get, I just wanna get,
I just wanna get to know you,

You cant deny, we were ridin',
You're somebody I wanna get close to
Do you wanna ride with me?
See another side of me?

We make the world go quiet, go silent
And forget about everything that we go through
'Cause now its just you and me
Baby just let your mind go free

I just wanna get to know you
I just wanna get to know you
I just wanna get, I just wanna get
I just wanna get to know you
I just wanna get to know you
I just wanna get to know you
I just wanna get, I just wanna get
I just wanna get to know you

Thats right,
I'm in no control
Forget the world,
hit the open road
Only the 'hood knows where we're supposed to go
I wanna take you across the globe, show you the world
But you thought your stress away,
Like wasted your extra day
You can get to know me better; investigate
Money on the 'brookes, and all the money that I get
pussay
April now homey left for may,
And it feel like we just left the day
We can go anywhere that you wanna go
You can know anything that you wanna know
Know... (know)

I just wanna get to know you (I wanna get)
I just wanna get to know you (To know you)
I just wanna get, I just wanna get (Uhh! Heyyy!)
I just wanna get to know you
I just wanna get to know you (heyyy)
I just wanna get to know you
I just wanna get, I just wanna get,
I just wanna get to know you

Uh uh, Uh uh, Uh uh, uhhh
I know you wanna ride
Uh uh, Uh uh, Uh uh, uhhh
Thats right I know you wanna ride
Uh uh, Uh uh, Uh uh, uhhh
I heard you wanna ride
Uh uh, Uh uh, Uh uh, uhhh
I know you wanna ride
