Stay ohh ooh oh oh stay
Stay ohh ooh oh oh stay

Soloman dives
For that big dusky pearl
Soloman sighs
He knows he's older than me
Sleeps with the fishes soon

Stay
(Stay)
Ohh ooh oh oh stay
Stay
(Stay)
Ohh ooh oh oh stay

Soloman crawls
On the belly of God
Soloman falls on his face in love with me
He grows as old as the sea
Deep where the fishes are

Stay ohh ooh oh oh stay
Stay ohh ooh oh oh stay
Stay ohh ooh oh oh stay
Stay ohh ooh oh oh stay

He lives in the yard, he keeps himself hard
He keeps himself homeless and heartless and hard
He sleeps under stairs along with the heirs of nothing

And nothing means no one who cares
But I love him dear and I love him dear
And I've loved him hundreds of thousands of years

Stay
Stay ohh ooh oh oh stay
(Stay with me, stay with me)
Stay ohh ooh oh oh stay
(Stay with me, stay with me)

It's not time for me to go

It's not time for me to go
It's not time for me to go
Stay
