

Beloved "Aimless Endeavor"

Remembering the moments
Its so unclear
Re-living it just to disappear
Its always the wrong way
And never the same
Its dragging and staggered
Into a dull replay
Remember the moments
Its so unclear
Re-living it just to disappear
Lying down in sleepless eyes
Wide awake
So caught inside this aimless endeavor
Its sure to leave it's mark
Blacked-out and beaten into our skin
Deeper now that it's sunk in
Feeding on all of this damage it's done
The deeper you look
The harder it is to find
Its so safe and so secure
Its so deep now
Blacked-out and beaten into our skin
Deeper now that weve fell in
