Baby, baby, oh, i'm telling you
Now i'm on my knees
It's like a dream come true

So many things that i want to say
Put your arms 'round me
In your special way

Got a feeling deep inside
Couldn't hide this feeling even if i tried
And there's nothing i wouldn't do, believe me
To show how much i care

Oh-oh, i can't lose this love, loving, loving feeling
(oh, will you let me know?)
(you'll never let me go now)
I can't lose this love that's holding me
(doo-doo-doo doo-doo-doo, doo-doo-doo doo-doo-doo)

Oh, the flame of love is burning strong
And you know you can't resist it, it would take too long
You hold me close, and then you kiss me
How can you say that you don't miss me?

Oh-oh, i can't lose this love, loving, loving feeling
(oh, will you let me know?)
(you'll never let me go now)
I can't lose this love that's holding me
(doo-doo-doo doo-doo-doo, doo-doo-doo doo-doo-doo)

Just for you, oh, i would
I'd be your al capone, your robin hood
I could be sinbad on the seven seas
If you would sin that bad with me

Oh-oh, i can't lose this love, loving, loving feeling
(oh, will you let me know?)
(you'll never let me go now)
I can't lose this love that's holding me
(doo-doo-doo doo-doo-doo, doo-doo-doo doo-doo-doo)
