Remembering the moments  
It's so unclear  
Re-living it just to disappear  
It's always the wrong way  
And never the same  
It's dragging and staggered  
Into a dull replay  
Remember the moments  
It's so unclear  
Re-living it just to disappear  
Lying down in sleepless eyes  
Wide awake  
So caught inside this aimless endeavor  
It's sure to leave it's mark  
Blacked-out and beaten into our skin  
Deeper now that it's sunk in  
Feeding on all of this damage it's done  
The deeper you look  
The harder it is to find  
It's so safe and so secure  
It's so deep now  
Blacked-out and beaten into our skin  
Deeper now that we've fell in
