It started when an alien device did what it did
And stuck itself upon his wrist with secrets that it hid
Now he's got secret powers, he's no ordinary kid
He's Ben 10
(Ben 10)
So if you see him you might be in for a big surprise
He'll turn into an alien before your very eyes
He's slimy, creepy, fast and strong, he's every shape
and size,

He's Ben 10
(Ben 10)
Armed with powers he's on the case
fighting all evil from earth or space
He'll never stop till he makes them pay
Cause he's the baddest kid to ever save the day
He's Ben 10
(Ben 10, Ben 10)
(BEN, 10)
(Ben 10)
