Fly out.  
I wanna see you shine.  
You're a broken bird.  
Refusing to fly.  
And I see so much heartache and fear in your eyes.  
Put a brave face on but I see your disguise.

For you pretend that you're happy.  
I can tell that you're hurting inside.  
So just keep it going.  
And I know you'll be fine.  
When you spread your wings and fly away.

Just like a bird.  
Yeah.  
See you're gonna fly away.  
Just like a bird.

Sing out now.  
I wanna hear you within.  
You're a broken bird.  
Refusing to sing.  
I hear so much drama and pain in your voice.  
And you sing your song like you don't have a choice.

Though you pretend that it's nothing.  
I can tell that you're burning inside.  
And I could see it coming.  
I could read all the signs.  
So just open your heart and sing.  
Just like a bird.  
Just like a bird.

Fly out.  
I wanna see you shine.  
You're a broken bird.  
Refusing to fly.  
And I see so much heartache and fear in your eyes.  
You're a broken bird  
Refusing to fly.  
Ooh yeah baby.

Like a Broken Bird.
