I don't wanna stay where I'm not wanted.

We fell into love, just like dreaming.
But dreaming with our eyes open wide.
And that was enough, your heart beating.
Like it was connected to mine.
Now it's changing, and I don't know why.
But I feel I'm losing everything I though I had.
And if I didn't love you, it wouldn't hurt so bad.

I don't wanna stay where I'm not wanted.
Don't wanna be where I don't fit in.
I'm not gonna die if you don't love me.
It's just I wouldn't call it living.
Don't want you to cry if you're not sorry.
If you've already closed the door.
I don't wanna stay where I'm not wanted.
What would I be staying for?

I don't wanna be, stuck here feeling.
That maybe you're not so into me.
For my self esteem, can't help thinking.
That maybe I should get up and leave.
Won't be, easy, to say goodbye.
To what I thought would be, the love of my life.

I don't wanna stay where I'm not wanted.
Don't wanna be where I don't fit in.
I'm not gonna die if you don't love me.
It's just I wouldn't call it living.
Don't want you to cry if you're not sorry.
If you've already closed the door.
I don't wanna stay where I'm not wanted.
What would I be staying for?

Wish I could reach out and touch you.
But I know it would be wrong.
I'd only feel an empty space.
Like you've already gone.
And if I'm no longer welcome.
Then I've been here too long.

I don't wanna stay where I'm not wanted.
Don't wanna be where I don't fit in.
I'm not gonna die if you don't love me.
It's just I wouldn't call it living.
Don't want you to cry if you're not sorry.
If you've already closed the door.
I don't wanna stay where I'm not wanted.
What would I be staying for?

I don't wanna stay where I'm not wanted.
What would I be staying for?
