Separate ways

Now I don't feel you no more,
Why is it so cold outside your door?
Why won't you let me in? Thats all I ask.
Turn myself inside out for you,
Is there nothing else that I can do?
Give me a reason why, thats all I ask.

You don't wanna talk about it
And I can't find the words
If I can't change your mind

Then I don't wanna wait for you,
Living in a state for you so long.
You know my heart ain't strong enough to carry on like
this.
What about the love we made?
Please tell me why you're so afraid, what's wrong?
You know my heart ain't strong enough, don't drag it
out for days.
Shall we go our separate ways?

How did our blue skies turn so gray?
We followed our hearts and lost our way.
If I still believe in love
does that make, does that make me a fool?

Cause you don't wanna think about it
And I don't wanna waste more time
If I can't change your mind

Then I don't wanna wait for you, no
Living in a state for you so long.
You know my heart ain't strong enough to carry on like
this.
What about the love we made?
Please tell me why you're so afraid, what's wrong?
You know my heart ain't strong enough, don't drag it
out for days.
Shall we go our separate ways?

If I cant change your mind..

Then I don't wanna wait for you, no
Living in a state for you so long.
You know my heart ain't strong enough to carry on like
this.
What about the love we made?
Please tell me why you're so afraid, what's wrong?
You know my heart ain't strong enough, don't drag it
out for days.
Shall we go our separate ways?

Shall we go our separate ways?
