It's like apocalypse now  
The guilt rains down like bullets from a cloud  
But the words come out  
Though I try to speak  
Your gonna hate me now

It's like a biblical curse  
Imagine hurt on a scale unheard  
Well the truth is worse  
Gotta face the music  
Cos it's getting loud

Wish I could have stopped to think about it  
Jumped right in,  
In anger now I think I put the last nail in the coffin  
My last chance this word I'm dropping

Sorry for the mess I made  
I f\*\*\*ed it up never can be saved  
I'm sorry  
I wish I could take you back  
I would if I could but I can't do that  
I'm sorry  
I'm down on my knees  
I know I failed spectacularly  
I'm sorry  
That I stooped so low  
Just hear me out before you go

Now we're face to face  
I see your tears  
And I feel disgraced  
Hang my head in shame  
Need I even ask  
Do you hate me now?

There's two scenario's (one)  
You cut and you run (two)  
You forgive what I've done  
But even if it's in your heart to  
What I did I can never

Sorry for the mess I made  
I f\*\*\*ed it up never can be saved

I'm sorry  
I wish I could take you back  
I would if I could but I can't do that  
I'm sorry  
I'm down on my knees  
I know I failed spectacularly  
I'm sorry  
That I stooped so low  
Just hear me out before you go

Take it back...

It's like apocalypse now, now, now, now...  
The guilt rains down, down, down, down...

I wish I could have stopped to think about it  
Jumped right in.  
In anger now I think I put the last nail in the coffin  
My last chance this word I'm dropping

Sorry for the mess I made  
I f\*\*\*ed it up never can be saved  
I'm sorry  
I wish I could take you back  
I would if I could but I can't do that  
I'm sorry  
I'm down on my knees  
I know I failed spectacularly  
I'm sorry  
That I stooped so low  
Just hear me out before you go

Sorry for the mess I made  
I f\*\*\*ed it up never can be saved  
I'm sorry  
I wish I could take you back  
I would if I could but I can't do that  
I'm sorry  
I'm down on my knees  
I know I failed spectacularly  
I'm sorry  
That I stooped so low  
Just hear me out before you go
