God help me now.  
Cause I'm in so deep.  
Can't sleep without you no more.  
See my heart ???  
Whenever you're around.

So maybe that's why, why I love you.  
Why I wanna spend the rest of my life.  
Just trying to make you happy.  
Just trying to make you understand.  
But I never felt so.  
Free and comfortable.  
So loved so complete.  
You know how much you mean to me.

So many years pass me by.  
And I never felt I needed anyone but myself.  
I can't imagine how I oh.  
Ever made it a day on my own.

So maybe that's why, why I love you.  
Why I wanna spend the rest of my life.  
Just trying to make you happy.  
Just trying to make you understand.  
But I never felt so.  
Free and comfortable.  
So loved so complete.  
You know how much you mean to me.  
Just how much you mean to me.

Some time in life you find some thing so beautiful.  
You can't let it go.  
And I can let you know.

So that's why, why I love you.  
Why I wanna spend the rest of my life.  
Just trying to make you happy.  
Just trying to make you understand.  
But I never felt so.  
Free and comfortable.  
So loved and complete.

You know how much you mean to me.  
Just how much you mean to me.  
You know how much you mean to me.
