What started as a whisper  
Slowly turned into a scream  
Searching for an answer  
Where the question is unseen  
I don't know where you came from  
And i don't know where you've gone  
Old friends become old strangers  
Between the darkness and the dawn

Amen Omen  
Will i see your face again  
Amen Omen  
Can i find the place within  
To live my life without you

I still hear you saying  
All of life is a chance  
And is sweetest  
When at a glance  
But i live a hundred  
Lifetimes in one day  
But i die a little  
In every breath that i take

Amen Omen  
Will i see your face again  
Amen Omen  
Can i find the place within  
To live my life without you

I listen to a whisper  
Slowly drift away  
Silence is the loudest  
Parting word you never say  
I put your world  
Into my veins  
Now a voiceless sympathy  
Is all that remains

Amen Omen  
Will i see your face again  
Amen Omen

Can i find the place within  
To live my life without you
