I knew a girl  
Her name was truth  
She was a horrible liar  
She couldn't spend one day alone  
But she couldn't be satisfied  
When you have everything  
You have everything to lose  
She made herself a bed of nails  
And she's planning on putting it to use  
But she had diamonds on the inside  
She had diamonds on the inside  
She had diamonds on the inside  
Diamonds

A candle throws its light into the darkness  
In a nasty world so shines a good deed  
Make sure the fortune that you seek  
Is the fortune that you need  
Tell me why the first to ask  
Is the last to give every time  
What you say and do not mean  
Follows you close behind

She had diamonds on the inside  
She had diamonds on the inside  
She wore diamonds on the inside  
Diamonds  
Diamonds

Like the soldier long standing under fire  
Any change comes as a relief  
Let the giver's name remain unspoken  
She is just a generous thief

She had diamonds on the inside  
She had diamonds on the inside  
She wore diamonds on the inside  
She wore diamonds  
Oh - diamonds  
She had diamonds  
She wore diamonds  
Diamonds
