Excuse me Mr, do you have the time?
Or are you so important that it stands still for you?
Excuse me Mr, won't you lend me your ears?
Or are you not only blind but do you not hear?
Excuse me Mr but isn't that you're oil in the sea?
And the pollution in the air Mr, who's could that be?
So excuse me Mr, but I'm a Mr too
And you're giving Mr a bad name, Mr like you
So im taking the Mr from out infront of your name
Coz it's the Mr like you that puts the rest of us to shame
It's the Mr like you that puts the rest of us to shame
And I, I've seen enough
I've seen enough to know,
That I've seen too much
Excuse me Mr can't you see the children dying?
You say that you can help them Mr your not even trying
Excuse me Mr, just take a look around
Oh Mr, just look up and you will, you will see it coming
now
Excuse me Mr but I'm a, I'm a Mr too,
Your giving Mr a bad name, Mr like you
So I'm taking the Mr from out infront of your name
Coz it's the Mr like you that puts the rest of us to shame
It's the Mr like you that puts the rest of us to shame
And I, I've seen enough, i've seen and i've seen and
I've seen enough to know that I've seen too much
I've seen enough, I have seen enough to know, that I
have seen too much
See coz Mr when you're rattling on heavens gate
By then it's too late
Coz Mr when you get there they don't ask they don't
ask
What you saved
All you wanna know, Mr is what you gave
So excuse me Mr, but I'm a Mr too,
And you're giving Mr a bad name Mr like you
So I'm taking the Mr from out infront of you're name
Coz it's the Mr, Mr like you that puts the rest of us to
shame
It's the Mr like you that puts the rest of us to shame
