( Bob Marley )

I say we're sick and tired of your poison technology  
Slowly, surely, killing all humanity  
We know when we understand:  
The light of God is a living man.  
You can fool some people sometimes  
But you can not fool all the people all the time.  
So now you see Jah light  
We gonna stand up for our rights!

Get up, stand up, stand up for your rights  
Get up, stand up, don't give up the fight  
Get up, stand up, stand up for your rights  
Get up, stand up, don't give up the fight

Preacher man don't tell me  
Heaven is under the earth  
I know, I know you don't know  
What Jah life is really worth  
It's not all the glitters is gold  
Half the story has never been told  
So now you see the light  
Stand up for your rights

Get up, stand up, stand up for your rights  
Get up, stand up, don't give up the fight  
Get up, stand up, stand up for your rights  
Get up, stand up, don't give up the fight  
Get up, stand up, stand up for your rights  
Get up, stand up, don't give up the fight  
Get up, stand up, stand up for your rights  
Get up, stand up, don't give up the fight  
Don't give up the fight  
Don't give up the fight
