I said bye and bye I'm going to see the King
Bye and bye I am going to see the King
And I don't mind dying
I'm a child of God
I said bye and bye I'm going to see the King
Bye and bye I am going to see the King
And I don't mind dying
I'm a child of God
You know after death
You have got to go by yourself
And I don't mind dying
I'm a child of God
I said bye and bye I'm going to see the King
Bye and bye I am going to see the King
And I don't mind dying
I'm a child of God
Bye and bye I will hear the angel sing

Bye and bye I will hear the angel sing
And I don't mind dying
I'm a child of God
You know after death
You have got to stand your test
And I don't mind dying
I'm a child of God
I said bye and bye I'm going to see the King
Bye and bye I am going to see the King
And I don't mind dying
I'm a child of God
