Oh no- here comes that sun again.
And (that) means another day without you my friend.
And it hurts me to look into the mirror at myself.
And it hurts even more to have to be with somebody
else.

And it's so hard to do and so easy to say.
But sometimes - sometimes,
You just have to walk away - walk away.

With so many people to love in my life, why do I worry
about one?
But you put the happy in my nest, you put the good
times into my fun.

And it's so hard to do and so easy to say.
But sometimes - sometimes,
You just have to walk away - walk away and head for
the door.

We've tried the goodbye so many days.
We walk in the same direction so that we could never
stray.
They say if you love somebody than you have got to set
them free,
But I would rather be locked to you than live in this pain
and misery.
They say time will make all this go away,
But it's time that has taken my tomorrows and turned
them into yesterdays.
And once again that rising sun is droppin' on down
And once again, you my friend, are nowhere to be
found.

And it's so hard to do and so easy to say.
But sometimes, sometimes you just have to walk away,
walk away and head for the door.
You just walk away - walk away - walk away.
You just walk away, walk on, turn and head for the door
