(Joseph Arthur Cover)

I picture you in the sun wondering what went wrong
And falling down on your knees asking for sympathy
And being caught in between all you wish for and all
you seen
And trying to find anything you can feel that you can
believe in

May God's love be with you always
May God's love be with you

I know I would apologize if I could see your eyes
cause when you showed me myself I became someone
else
but i was caught in between all you wish for and all you
need
I picture you fast asleep
A nightmare comes
You can't keep awake

May God's love be with you always
May God's love be with you

Cause if I find
If I find my own way

How much will I find
If I find
If I find my own way
How much will I find you

I don't know anymore
what it's for
I'm not even sure
If there is anyone who is in the sun
Will you help me to understand
Cause i been caught in between all I wish for and all I
need
Maybe you're not even sure what it's for
Any more than me

May God's love be with you always
May God's love be with you
