Jesus is on that mainline, tell him what you want  
Jesus is on that mainline, tell him what you want  
Jesus is on that mainline, tell him what you want  
You gotta call him up and tell him what you want

If you're sick and you want to get well, tell him what you want  
If you're sick and you want to get well, tell him what you want  
If you're sick and you want to get well, tell him what you want  
You gotta call him up and tell him what you want

If you're sick and you want to get well, tell him what you want  
If you're sick and you want to get well, tell him what you want  
If you're sick and you want to get well, tell him what you want  
You gotta call him up and tell him what you want

If you want in his kingdom, tell him what you want  
If you want in his kingdom, tell him what you want  
If you want in his kingdom, tell him what you want

You gotta call him up and tell him what you want

Jesus is on that mainline, tell him what you want  
Jesus is on that mainline, tell him what you want  
Jesus is on that mainline, tell him what you want  
You gotta call him up and tell him what you want

Jesus is on that mainline, tell him what you want  
Jesus is on that mainline, tell him what you want  
Jesus is on that mainline, tell him what you want  
You gotta call him up and tell him what you want
