I can change the world  
with my own two hands  
make a better place  
with my own two hands  
make a kinder place  
with my own two hands  
with my own, with my own two hands  
with my own, with my own two hands

I can make peace on earth  
with my own two hands  
And i can clean up the earth  
With my own two hands  
And I can reach out to you  
With my own two hands  
With my own, with my own two hands  
With my own, with my own two hands

Im gonna make it a brighter place  
Gonna make it a safer place  
Gonna help the human race  
with my own, with my own two hands

I can hold you  
In my own two hands  
And i can comfort you  
With my own to hands  
Youve got to use  
Use your own to hands

Im gonna make it a brighter place  
Im gonna make it a safer place  
Gonna help the human race  
OH make it a brighter place  
I can hold you  
I can comfort you  
But you got to, got to, got to, go to, got to  
use, use your own, oh use your own lord
