It's her hair and her eyes today  
That just simply take me away  
And the feeling that I'm falling further in love  
Makes me shiver but in a good way  
All the times I have sat and stared  
As she thoughtfully thumbs through her hair  
And she purses her lips, bats her eyes as she plays,  
With me sitting there slack-jawed and nothing to say  
Coz I love her with all that I am  
And my voice shakes along with my hands  
Coz she's all that I see and she's all that I need  
And I'm out of my league once again

It's a masterful melody  
When she calls out my name to me  
As the world spins around her she laughs, rolls her  
eyes  
And I feel like I'm falling but it's no surprise  
Coz I love her with all that I am  
And my voice shakes along with my hands  
Cause it's frightening to be  
Swimming in this strange sea  
But I'd rather be here than on land  
Yes she's all that I see and she's all that I need  
And I'm out of my league once again

It's her hair and her eyes today  
That just simply take me away  
And the feeling that I'm falling further in love  
Makes me shiver but in a good way  
All the times I have sat and stared  
As she thoughtfully thumbs through her hair  
And she purses her lips, bats her eyes as she plays,  
With me sitting there slack-jawed and nothing to say  
Coz I love her with all that I am  
And my voice shakes along with my hands  
Cause it's frightening to be  
Swimming in this strange sea  
But I'd rather be here than on land  
Yes she's all that I see and she's all that I need  
And I'm out of my league once again
