You got to pay the man

You got to pay the man

Got a wife and a dog and a cadillac

But before he leaves this world
He's got to pay the man

Pay the man
Everybody's got to pay the man
And before you leave this world
You got to pay the man
Pay the man
Everybody's got to pay the man
And before you leave this world
You got to pay the man

She's doing all the best she can

You got to pay the man

Pay the man
Everybody's got to pay the man
And before you leave this world
You got to pay the man
Pay the man
Everybody's got to pay the man
And before you leave this world

You got to pay the man

Pay the man
Everybody's got to pay the man
And before you leave this world
You got to pay the man
Pay the man
Everybody's got to pay the man
And before you leave this world
You got to pay the man

Pay the man
Everybody's got to pay the man
And before you leave this world
You got to pay the man

Pay the man
Everybody's got to pay the man
And before you leave this world
You got to pay the man
