I can't know the hell you love  
But i know you've had enough  
Some baptize in water some in flames  
In flames  
In flames

Don't you give me a reason to mourn  
Don't you give me a reason to mourn  
Look into my eyes with all your hate and scorn  
But don't you give me a reason to mourn

What has life done to you  
All you ever wanted was someone to run to you  
There's more to life then what makes you cry  
What makes you cry  
I want save you by  
Don't you give me a reason to mourn  
Don't you give me a reason to mourn  
Look into my eyes with all your hate and scorn  
But don't you give me a reason to mourn  
I'll remove the crown of sorrow wich you have been  
adorned  
But don't you give me a reason to mourn

Don't you give me a reason to mourn  
Don't you give me a reason to mourn  
Look into my eyes with all your hate and scorn  
But don't you give me a reason to mourn
