Let me take you down 'cause I'm going to strawberry
fields

Nothing is real and there's nothing to get hung about
Strawberry fields forever

Living is easy with eyes closed, misunderstanding all
you see

It's getting hard to be someone but it all works out
It doesn't matter much to me

Let me take you down 'cause I'm going to strawberry
fields

Nothing is real and there's nothing to get hung about
Strawberry fields forever

No one I think is in my tree, I mean it must be high or
low

That is you can't you know tune in but it's alright
That is I think it's not too bad

Let me take you down 'cause I'm going to strawberry
fields

Nothing is real and there's nothing to get hung about
Strawberry fields forever

Always no, sometimes think it's me but you know
I know when it's a dream, I think I know I mean a yes
But it's all wrong, that is I think I disagree

Let me take you down 'cause I'm going to strawberry
fields

Oh, nothing, nothing is real and there's nothing to get
hung about

Strawberry fields forever, strawberry fields forever,
strawberry fields forever
