Let me take you down
'Cause I'm going to Strawberry Fields
Nothing is real and there's nothing to get hung about
Strawberry Fields forever

Living is easy with your eyes closed
Misunderstanding all you see
It's getting hard to be someone but it all works out
It doesn't matter much to me

Let me take you down
'Cause I'm going to Strawberry Fields
Nothing is real and there's nothing to get hung about
Strawberry Fields forever

No one I think is in my tree
I mean it must be high or low
That is you can't, you know, tune in but it's all right
That is I think it's not too bad

Let me take you down
'Cause I'm going to Strawberry Fields
Nothing is real and there's nothing to get hung about
Strawberry Fields forever

Always, no sometimes, think it's me
But you know, I know when it's a dream
I think I know, I mean a yes but it's all wrong
That is I think I disagree

Let me take you down
'Cause I'm going to, going to Strawberry Fields
Oh, nothing, nothing is real and there's nothing to get
hung about
Strawberry Fields forever

Strawberry Fields forever
Strawberry Fields forever
