I wish we could live forever  
Then melt into the sun  
Melt into the sun  
Time is gonna change you  
Once it gets you on the run  
Gets you on the run

There will be  
There will be  
There will be a light  
There will be a light  
There will be  
There will be  
There will be a light  
There will be a light

I've been running  
Ever since  
Ever since I was a child  
Some call it free  
And some call it wild

There will be  
There will be  
There will be a light  
There will be a light

There will be  
There will be  
There will be a light  
There will be a light

Let the warmth of my love  
Dry away all your tears  
Fear not for I am with you  
I will fear not - fear not - with you here

There will be  
There will be  
There will be a light  
There will be a light  
There will be

There will be  
There will be a light  
There will be a light

There will be  
There will be  
There will be a light  
There will be a light
