First time that I saw her  
She had white doves in her eyes  
She spoke to me  
But I could not reply, not reply  
She was a stranger  
I had known for years  
She brought to me  
So many smiles and tears,  
Smiles and tears

The two hands of prayer  
Together like the two hands of prayer  
Together like the two hands of a prayer  
Together like the two hands of a prayer

Tired maid slowly drifts  
Into past, into the past  
And finds a home  
Where all echoes rest, echoes rest  
She softly kissed  
My mind, my mind  
And whispered  
What will we do with time  
Do with time?

The two hands of a prayer  
Together like the two hands of a prayer  
Together like the two hands of a prayer  
Together like the two hands of a prayer

Aay, aay, aay  
Aay, aay, aay  
Aay, aay

And by the way I choose  
Choose to be, choose to be  
Or just the man  
I used to be, used to be  
Am I the man  
I want, want to be, I want to be  
'Cause this question  
It keeps haunting me

Haunting me

The two hands of a prayer

Together like the two hands of prayer

Together like two hands of a prayer

Together like the two hands of a prayer, of prayer
