Oh, no
Here comes that sun again
That means another day
Without you my friend

And it hurts me
To look into the mirror at myself
And it hurts even more
To have to be with somebody else

And it's so hard to do
And so easy to say but sometimes
Sometimes, you just have to walk away
Walk away

So many people
To love in my life
Why do I worry
About one?

But you put the happy
In my nest
You put the good times
Into my fun

And it's so hard to do
And so easy to say but sometimes
Sometimes, you just have to walk away
Walk away
And head for the door

We've tried the goodbye
So many days
We walk in the same direction
So that we could never stray

They say if you love somebody
Than you have got to set them free
But I would rather be locked to you
Than live in this pain and misery

They say time will

Make all this go away, away
But it's time that has taken my tomorrow's
And turned them into yesterday's

And once again that rising sun
Is dropping on down
And once again you my friend
Are nowhere to be found

And it's so hard to do
And so easy to say but sometimes
Sometimes, you just have to walk away
Walk away
And head for the door

You just walk away
Walk away
Walk away
Just walk away
Walk on
Turn and head for the door
Just walk away
