I dont need no one to tell me how to feel the beat
I dont need no beat to tell me how to move my feet

Just go and od what you do
Cuz theres nothing to prove

Just being me
W-watch me do me

I dont need no magazine to tell me who to be
I dont need to pose for p-p-paparazzi

Just keep the cameras flashing
To try and catch the action

Im just being me W-watch me do me
me,me.me

Light up the floor
Play me one more
Let me hear that
Click clack on the high high
Heat of this vibrate
Hear the room rock

Light up the floor
Just like before
Let me hear that
Please stop from the boom box
Making us stop
Hear the room rock

Im doing all i wanna do
And i wont stop till i cant move
Im just being me
Watch me do me

Me, me, watch me do me
Me, me, watch me do me

I dont need no music when i wanna sing a song (Watch

Me)

I dont need Miss Popular to know whats right or wrong

(Watch Me)

Im busy burning the track

Not holding anything back

Im just being me

W-watch me do me

Me, me , me

Light up the floor

Play me one more

Let me hear that

Click clack on the high high

Hear the room rock

Light up the floor

Just like before

Let me hear that

Please stop from the boom box making us stop

Feel the room rock

Im doing all i wanna do

And i wont stop till i can move

Im just being me

W-watch me do me

I'm ready, I'm I'm ready to go

Let let it, let let let it explode

(Oh Yeah)

I'm ready, I'm I'm ready to

Go, go, goooo

Light up the floor

Play me one more

Let me hear that

Click clack on the high high

Heat of this vibrate

Feel the room rock!

Light up the floor

Just like before (Just Like Before)

Let me hear that

Please stop from the boom box

Makin' us stop

I'm doing what all wanna do

And I won't stop until I can't move

I'm just being me

Watch Me do me

(Me, me)

Watch Me do me

(Me, me)

Watch Me, Watch Me
