I can change the world
With my own two hands
Make a better place
With my own two hands

Make a kinder place
With my own two hands
With my own
With my own two hands

I can make peace on earth
With my own two hands
I can clean up the earth
With my own two hands

I can reach out to you
With my own two hands
With my own
With my own two hands

I'm gonna make it a brighter place
I'm gonna make it a safer place
I'm gonna help the human race
With my own
With my own two hands

I can hold you
With my own two hands
I can comfort you
With my own two hands

But you got to use
Use your own two hands
Use your own
Use your own two hands

With our own
With our own two hands
With my own
With my own two hands
