jimmie used to take me out to skate
he always had a no-comply with no mistakes
and over body acme on the curb
roller wheels and axel grinds were all you heard

i'm headed back to 18th avenue
i'm going either with or without you
maybe you couldn't make your mind up either way
i'm headed back to 18th avenue

dustin used to lie to all the girls
and talk a lot of oooo baby and you're my world
i guess that's what it took to get him laid
by the time they figured out it was way to late

i'm headed back to 18th avenue
i'm going either with or without you
maybe you couldn't make your mind up either way

i'm headed back to 18th avenue
i'm going back to 18th avenue
i'll make it back to 18th avenue, oooh,oh..

better try to get the story straight
jimmie had a no-comply with no mistakes
better try to get the story straight
you better try...

i'm headed back to 18th avenue
i'm going either with or without you
maybe you couldn't make your mind up either way

i'm headed back to 18th avenue
