I met the sweetest girl on sunday
Just drinkin' coffees by the park
I told her secrets 'bout the future
Seemed like she didn't want no part

I'm stuck because it's go good get it to go
But I'm afraid it might be too late cause she (already
knows)

I introduced her to my brother
I think he didn't like her face
I tried to tell her 'bout the future
She wouldn't let me plead my case

I'm stuck because it's go good get it to go
But I'm afraid it might be too late cause she (already
knows)

Now baby let me tell you slowly
Quit all this actin like you know
Before you had the chance to bore me
I think you could be good to go

I'm stuck because it's go good get it to go
But I'm afraid it might be too late cause she (already
knows)
