Good to me and only if it's perfect for you
So generous in all that you do
Where would we be if there was no you

Not today
This ain't the time for havin my way
Forget about what I had to say
Forget about what I need to say

oh, let me stay
I promise I'll be good and behave
I promise everything is okay
I promise I'll stay out of your way

Not today
This ain't the time for havin' my way
Forget about what I had to say
Forget about what I need to say

Not today
Not today
I'm not havin my way
Not today
I'm not havin my way
Not today
I'm not havin my...way
