Hold up,
Stay a while,
You've given certain things,
To let them go.

Hold up,
Wait a while,
Cause the world won't end,
By saying I don't know.

She said:
Am I really gonna live forever?
Is there any way to knkow?
Is there anything that lasts forever?
Is there any way to know?

In the moment,
Say no more,
If the silence doesn't kill you,
Nothing will.

And I don't have,
What you're looking for,
We're gonna have to live through,
How this feels.

She said:
Am I really gonna live forever?
Is there any way to knkow?
Is there anything that lasts forever?
Is there any way to know?

In the moment,
Say no more.
In the moment,
Say no more.
