Where did this all go wrong?
Was i missing it all along?
Is it coincidence that the craziest FOOLS have the
strongest belief that they're right?
With out all due respect, there's a 3-headed monster
that's eating your children alive!

Where did this all go wrong?
(all GO wrong.)
Was i missing it all along?
(all along.)

Every single day,
I HAVE so much to say.
WHY are you so sure you're right?
(sure you're right.)
Do you see things beyond your sight?
(out of sight.)

Well, is it safe to assume that the greatness unknown is
inside you and forcing your hand?
Do you feel warm inside when you THINK ABOUT
cussing and THINGS THAT YOU DON'T UNDERSTAND

Every single day.
I HAVE SO MUCH TO SAY (repeat)
