Intro

Ah, ah

My baby wherever you are

My baby

Verse 1

There was a time in my life

When I didn't know what I could be (be, be, be)

And I was hangin out in circles

That wasn't good for me, yeah

Then a miracle from high above

Gave me one more chance

There is no words from A to Z

That can explain what you mean to me

You set me free, my baby

Chorus 1

Wherever you are

And if you want me to I'll follow you to the end of the world

Wherever you are

And if you ask if I'll be there by your side

To the end of time come rain or come shine

My answer will be (my answer will be)

Cause I love you, love me

Chorus

Wherever you are

And if you want me to I'll find a way to bring you the stars

Wherever you are

I'll build a castle up on Jupiter or Mars

Till the end of time you'll always be mine

And together we'll see

Cause I love you, love me, yeah

Baby

Verse

There is no longer any shadows hangin over me (me, me, me)

You turn my life around, I'm livin now as happy as can ever be

In the evening when I close my eyes

You're always in my dreams

And from the moment you hold me

I know I'll never be lonely

You are the one the only, my baby
Chorus
Wherever you are
And if you want me to I'll follow you to the end of the
world
Wherever you are
And if you ask if I'll be there by your side
Till the end of time you'll always be mine
And together we'll see
Cause I love you, love me
Ooh
Bridge
When you touch me with your thoughts, I feel it in me
An emotion that's taken me higher
And the passion that follows no one can doubt
It's closer to heaven than any desire
Break-down
And if you want me to I'll follow you (follow you, follow
you)
And if you ask me to I'll be there by your side
Till the end of time come rain or shine
My answer will be
Cause I love you, love, you love me
Chorus
Wherever you are
And if you want me to I'll find a way to bring you the
stars
Wherever you are
I'll build a castle up on Jupiter or Mars
Till the end of time you'll always be mine
And together we'll see
Cause I love you, love me, yeah
Baby
Chorus
Wherever You are
And if you want me to I'll follow you to the end of the
world
Wherever You are
And if you ask if I'll be there by your side
To the end of time come rain or come shine
My answer will be (my answer will be)
Cause I love you, love me
Yeah
