I've got no money, could you spare a dime?  
I got the plan, if you got the time  
if you take me there, you can claim your share of the  
action

Been on the road for a long time now  
Paid all my dues, oh I'm running out  
If you take me there, you can claim your share of the  
action

Oh, for a piece of the action, oh, for a slice of the cake  
Oh, for a piece of the action, oh, for a slice of the cake

Sometimes I feel as I'm going down  
That nothing can stop me from losing ground  
If you take me there, you can claim your share of the  
action

Oh, for a piece of the action, oh, for a slice of the cake  
Oh, for a piece of the action, oh, for a slice of the cake  
For a slice of the cake, oh
