Sedative,
It's a sedative
It was my hero
Oh it was..

What's it really like now
It's been a long long time since I've step outside
To the morning sun now
Would you take me out
Take me by the hand now
It's been a long, long time since I've step outside
To the morning sun.

Sedative,
It's a sedative
It was my hero
And I had a hit
??????
??????
Sedative,
Oh it was my hero
And I had a hit on it

What's it really like now
It's been a long long time since I've step outside
To the morning sun now
Would you take me out
And I crawl along now
It's been a long, long time since I've step outside
To the morning sun.

My faith in you
My faith in you

What's it really like now
It's been a long long time since I've step outside
To the morning sun now
Would you take me out
And I crawl along now
It's been a long, long time since I've step outside
To the morning sun.

My faith in you
My faith in you
My faith in you
