I, I was surprised  
I was surprised  
Surprised you stayed  
Only to be betrayed  
By the one you gave  
All your love and trust to  
Oh but how could I let go?  
Since I caught a glimpse of your  
Your human soul  
You were dancing to Northern soul  
Just one glance, oh everybody knows

There she goes, a little heartache  
Man there she goes, a little pain  
Make no mistake  
She sheds her skin like a snake  
On the dirty road to fame

Oh, I was to implore  
That you forget all you saw  
And you can't feel my ...

(missing part)

Also, how could I let go?  
Since I caught a glimpse of  
Your white plimsouls  
Twisting and turning to Northern soul  
It was just one glance  
Oh well, you know

There she goes, a little heartache  
There she goes, a little heartache  
Oh there she goes, a little pain  
Make no mistake  
She sheds her skin like a snake  
On the dirty road to fame

There she goes, a little heartache  
There she goes, a little pain  
Oh make no mistake

She sheds her skin like a snake  
Gonna walk that plank again

There she goes, a little  
There she goes, a little
