There's a lesson I have learnt  
If you play with fire you will get burnt  
Hell hath no fury  
Like woman scorned  
I'll tell you my story  
Make you wish you never, wish you...  
Wish you never never, wish you never been born

I may never learn, never know  
I may live and learn but never know  
I may crash and burn, oh no  
I may take my turn

If you love her, then tell her you love her and  
You could be kissing her soon  
If you need her, oh, tell her you need her and  
You won't be missing her soon  
Oh, but for a love to be true  
It must come from her too

It's a lesson hard learned  
If you play with fire you will get burnt  
Hell hath no fury  
... (?)

Oh, I may never learn, you never know  
I may live and learn, never know  
I may crash and burn, oh no  
I may take my turn

If you love her, then tell her you love her and  
You could be kissing her soon  
If you need her, oh, tell her you need her and  
You won't be missing her soon
