Call me a wild man
Well, I've seen the world
I've had it all in my hands
I had some love but I lost my way
I threw it in for the band

Oh, oh
Call me a wild man
And I'll never know

Oh, oh
Call me a wild man
And I'll never know

Call me a Rover
'Cause I've seen some sights
I've had the things that make men smile

But through these years
As I reached the end
Oh, I need a friend

Oh
This ain't like I thought it would be no
I'm just a sailor
On the deepest dark sea

Ah
Looks like life's got the best of me
I'm just a young man
But at least I've tried

Call me a wild man
Yeah, I've seen the world
I've had it all in my hands
I had some love but I lost my way
I threw it in for the band

Oh, oh
Call me a wild man and I'll never know
Oh, oh
Call me a wild man and I'll never know

Oh, oh
Call me a wild man and I'll never know
