Loving you is elementary
It's easier than 1-2-3
I passed school so consequently
It's coming so naturally

So A is for all that you've done for me
Being with you is the only place I want to be
Seeing you is the only thing I want to see
'Cause loving you is easy
One 'cause you're the only one for me
Two is you and I and I hope you agree
Three is for the words that you're making me speak
I love you, it's so easy

It's easy
It's easy
It's easy
Oh, loving you is easy

So, let's not make this complicated
I never made the honor roll
Overthinking's overrated
And there's something that you should know
Let me count the reasons why

So A is for all that you've done for me
Being with you is the only place I want to be
Seeing you is the only thing I want to see
Cause loving you is easy
One cause you're the only one for me
Two is you and I and I hope you agree
Three is for the words that you're making me speak
I love you it's so easy

It's easy
It's easy
It's easy
Oh loving you is easy

The hardest part was finding you
But once I did I knew
Oh, I knew

My love let me count
Let me count
Let me count the reasons why

So A is for all that you've done for me
Being with you is the only place I want to be
Seeing you is the only thing I want to see
Cause loving you is easy
One cause you're the only one for me
Two is you and I and I hope you agree
Three is for the words that you're making me speak
I love you it's so easy

It's easy
It's easy
It's easy
Oh loving you is easy
