One more day til I see you
Oh see the light start coming through
See the sun coming up on the skyline
Oh I can feel the way it feels to be alive

Give me one more lovely day
(When I get when I get when I get there)
Give me soul along the way
(When I get when I get when I get there)
Give me one more I can't wait
(When I get when I get when I get there)
Wait for you to say well hello when I get there

See that smile across my face
Oh no more clouds and no more grey
So give me one give me one give me one more
And I swear you keep me coming back for more

Give me one more lovely day
(When I get when I get when I get there)
Give me soul along the way
(When I get when I get when I get there)
Give me one more I can't wait
(When I get when I get when I get there)
Wait for you to say well hello when I get there

Give me on more lovely day
Oh give me soul along the way
Give me one more I can't wait
Wait for you to say well hello well hello well hello

Give me one more lovely day
(When I get when I get when I get there)
Give me soul along the way
(When I get when I get when I get there)
Give me one more I can't wait
(When I get when I get when I get there)
Wait for you to say well hello when I get there
