It's the time of the season  
Where love runs high  
In this time give it to me easy  
And let me try with pleased hands

Take you in the sun to promise land  
Show you everyone

It's the time for the season of loving

What's your name  
Who's your daddy  
Is he rich like me  
Has he taken any time  
To show you what you need to live  
Tell it to me slowly  
Tell you what I really want to know

It's the time for the season of loving

What's your name  
Who's your daddy  
Is he rich like me  
Has he taken any time  
To show you what you need to live

Tell it to me slowly  
Tell you what I really want to know

It's the time for the season of loving
