"All Along The Watchtowers"

Arise, slimy things made of dust; bring forth your
knowledge to the Earth!
Voices of wonder, vomit out scorpions' heads.

Move and appear, descend; apply yourselves to us!
Come, appear to the terror of the Earth and to our
wrath.
Arise, say I, and appear!

The rotten, arise!
Include us as receivers of the everlasting flowers of
unspeakable pleasure.

The works of Man and his pomp, let them be defaced!
The horns of death, arise!
Whose wings are living lamps and seething diamonds.

The fay host
Doing what Christ did in Hell
The fay host

Come forth, Tahaoeloj, and bring down the Eastern
Watchtower with wind
Come forth, Ohoooahaatan, and burn the Southern
Watchtower with flame
Come forth, Thahebyobeeatan, and sink the Western
Watchtower with water
Come forth, Thahaaotahe, and destroy the Northern
Watchtower with earthquake

The fay host
Thunders
The fay host
