All along  
the endless hyperplane  
seeking for  
eternal visions

-

In his brain  
the cone wide open  
not knowing anything about  
strange decisions

-

Feeling emptiness  
by being filled with thoughts  
heading forward  
to specify infinity

-

The definitions  
are taking turns  
reaching the limit of  
ability

-

Farkas Lemma told you so  
stay out of the cone  
Farkas Lemma told you so

stay beyond the cone  
Understanding  
oozing through the gaps of truth  
forming answers to all the questions

-

When knowledge beckons  
the human heart beats fast  
to reach the aim against all  
repression

-

To walk the path  
of this construction  
an abstract thinking  
is required

-

The maze of logic  
is not for anyone  
and languorously some

might retire
