All along
the endless hyperplane
seeking for
eternal visions

In his brain
the cone wide open
not knowing anything about
strange decisions

Feeling emptiness
by being filled with thoughts
heading forward
to specify infinity

The definitions
are taking turns
reaching the limit of
ability

Farka Lemma told you so
stay out of the cone
Farka Lemma told you so
stay beyond the cone
Understanding
oozing through the gaps of truth
forming answers to all the questions

When knowledge beckons
the human heart beats fast
to reach the aim against all
repression

To walk the path
of this construction
an abstract thinking
is required

The maze of logic
is not for anyone
and languorously some might retire Farka Lemma ...
