"Angle Dust"

That revolving door was a bitch to me
Turning lesser men into raging beasts
Going or staying repay what you're takin' from me

Wait, you wait until the free man walks, the free man
walk away
Unchanged until the free man walks, the free man
walks away

Carved in granite stone buried next to me
Baby brother's gone how's it feel to be
End's taking so long, the end's taking so long
Here's so far slow hard take me
Engines break who's gonna save me

Wait, you wait until the free man walks, the free man
walk away
Unchanged until the free man walks, the free man
walks away
Away, the free man walks, the free man walks away

And she covers me with angel dust
And she covers me with angel dust
And she covers me with angel dust
There's no way, there's no way
There's no way, there's no way

Wait, you wait until the free man walks, the free man
walk away
Unchanged until the free man walks, the free man
walks away
Away, the free man walks, the free man walks away
