Bender
"Lobster"

You wore your new pants
I thought they were nice
You ate a hot dog that I paid for
I won a big giraffe and gave it to you
We stood in line for the lobster
Ten times on the lobster
Ten times on the lobster
We stood in line
We stood in line
Ten times on the lobster
We rode a carousel my horse was yellow
We had cotton candy it was good
You liked the clown his name was "Krinkle" or
something
We got in line for the lobster
Ten times on the lobster
Ten times on the lobster
We stood in line
We stood in line
Ten times on the lobster
You wore your new pants
I thought they were nice
You ate a hot dog that I paid for
I won a big giraffe and gave it to you
We stood in line for the lobster
Ten times on the lobster
Ten times on the lobster
We stood in line
We stood in line
Ten times on the lobster
Ten times on the lobster
Ten times on the lobster
Ten times on the lobster
Ten times on the lobster
